
Aria Diva

Twice as bright as the Aria Solo™, the Aria Diva™ is designed for people who need a little extra light. Ideal for aging eyes, the Aria Diva delivers the brightest, most consistent light of any stand light available today.

- 14-inch wide light ensures that even the largest parts are completely illuminated
- Environmentally friendly LED lighting consumes less than 4 watts of power
- Lower profile provides a better view of the conductor
- Easier stowage – takes less space and can be nested
- Maintenance free – no bulbs to replace
- 90% of the light goes on the page, not on the floor
- Cool operation – no risk of burns
- Elegant design fits in equally well at black-tie functions and rock concerts
- Reduces glare for the conductor and audience
- Spring-loaded clips fit all solid-desk stands, including Manhasset, Wenger, and Hamilton
- Full-sized music turns freely
- Clears all music folders

14 inches wide
4 watts of power
1 bright piece of music

includes
