

Wireless wonder.

Introducing the Aria Forte Orchestra

8+ hours, full brightness

 charge during use

 full-range dimmer

 battery gauge

 USB powered

 even lighting

The LED music stand light used by most professional orchestras, pits, and productions with full control from your lighting console. All the durability and brightness you expect but with longer lasting power and blazingly fast recharge.

Bold. Bright. Beautiful. Aria Forte.

Features

- 14-inch wide light ensures that even the largest parts are completely illuminated
- Full-fringe wireless brightness control from your house lighting system with the Aria Forte DMX Transmitter
- Environmentally friendly LED lighting consumes less than 4 watts of power
- Even light coverage top to bottom
- Corded or cordless operation
- Rechargeable Lithium Polymer (LiPo) battery, replaceable
- Full-range dimmer from 0 to 100%
- Low profile provides a clear view
- Shield reduces glare for the conductor and audience
- Spring-loaded clips fit all solid-desk stands, including Manhasset, Peak, Wenger, and Hamilton
- Full-sized music turns freely
- Yellow LED provides charge status
- Side charging port for bulk charge
- USB charger and cable included
